**GREAT FALLS POLICE COMMUNITY FOUNDATION 11<sup>th</sup> ANNUAL GALA**  
**★ Saturday, April 13, 2019 Meadowlark Country Club ★**

The Great Falls Police Community Foundation believes public safety is the most important service city government can provide to its citizens. The Foundation was developed in 2007 after several community members recognized the need to supplement the Great Falls Police Department's efforts to keep pace with rapidly evolving equipment, technology, strategies, and training not covered within the City budget.

The Foundation has raised over \$300,000, thanks to many generous donations from Great Falls community members and business owners. These donations have gone directly to benefit the Department in their efforts to save lives, prevent crime, protect property, and help make Great Falls a better and safer place to live, work, and visit.

A few projects funded by the Foundation include: a Cellebrite cell phone downloader, a crime scene digital camera, Tasers for each on-duty officer, a state of the art 3D crime scene laser scanner, a Hi-tech surveillance drone, formal uniforms for members of the Honor Guard, level IV ballistic plate carriers and trauma kits for each patrol vehicle, and gas masks and ballistic shields for the High Risk Unit.

We hope you will join us to celebrate the generosity of our community and contribute further to the Department's ongoing needs. logon to [GFPOLICEFOUNDATION.ORG](http://GFPOLICEFOUNDATION.ORG) to learn more
